THE CLASS OF 1972... PLUS TWENTY

*H*as it really been 20 years? Doesn't feel like it. In fact, it just doesn't seem possible...but it's true.

*W*ith the passing of the 20th anniversary of our high school graduation, we thought this might be an appropriate time for reflection. So, as you flip through the following pages, we hope that you'll experience a warm reminiscence of friends and relationships past, of your high school days, of the times since and of your goals and dreams for the years to come.

*B*efore the reunion, we sent out a questionnaire on what everyone's been up to. We asked the usual name, address, spouse, kids, occupations, what you'd been doing since our last reunion and your plans for the next five years.

*W*e also wanted to know about the things of which you are most proud, your personal mottos, pet peeves and any secret fantasies or goals. We got some interesting responses and a few surprises. Take a couple of minutes to sit down and see for yourself.

Do You Remember?

It's been a long time we know, and you've probably jettisoned a few brain cells along the way, but here's a little test of your Early 1970s IQ.

Give yourself one point for each correct response. Answers are at the back of the book. And no cheating, because it would be wrong.

- 1.) Who was George McGovern's first running mate?
- 2.) What Jefferson Airplane album featured "White Rabbit" and "Somebody to Love?"
- 3.) What adviser to Richard Nixon was Phillip Berrigan charged with plotting to kidnap in January 1971?
- 4.) What company did Lee Iacocca leave to join Chrysler?
- 5.) What was Colonel Potter's (from M*A*S*H) first name?
- 6.) Name the singer that "tip-toed" into marriage on the "Johnny Carson Show?"
- 7.) Can you name the bride?
- 8.) For disrupting what event were the "Chicago Seven" put on trial?
- 9.) What group kidnapped Patty Hearst?
- 10.) Name the guitarist famous for his stylized version of "The Star Spangled Banner?"
- 11.) Name the hijacker that jumped out of a commercial airplane on November 24, 1971 after collecting a ransom. How much was the ransom?
- 12.) What civil rights activist said: "A riot is the language of the unheard?"

The Pittsford High School, Class of 1972, 20 Year Reunion was made possible by the combined time, efforts and resources committed to this project by the individuals listed below. Hundreds of hours of meetings, planning, class data research, phone calls, typing, folding, addressing, envelope stuffing, site selections, catering arrangements, checking and rechecking went into making the Reunion Weekend a reality. Thanks are in order for those that volunteered the use of their homes and provided the refreshments for the numerous meetings that were necessary to coordinate the three days of activities. A special thanks to Mindy for being the unfortunate host of the meeting at which the infamous "glitter" letters were assembled (she's still trying to rid her dining room of the sparkling remnants of that evening).

Congratulations to David Kilborn on receiving an "Addy" Award from the Rochester advertising community for the cover design of this book.

Finally, to all of the other contributors to the 20 Year Reunion, we thank you.
